NR[®] PLASTİK

ISO 9001 : 2015 Sertifikalı Üretim

1992 yılında ufak bir alanda başladığımız otomotiv ürünleri üretim serüvenine **3000m2** kapalı üretim tesisimizde daha yenilikçi, müşteri odaklı bir şekilde sürdürmekte ve daha iyisini üretene kadar durmamakta kararlıyız. Günümüzde yurtiçi için teknolojik olarak uçlarda olan, **ULTRA™** model plakalığımız dahil birçok üründe yurtiçi ve yurtdışı enlerine öncülük etmekteyiz. Çok sayıda **Avrupa ülkesine** plakalık ve **AR-GE** Kalıp ihracatımız mevcutta olup bunu teknoloji ve tecrübemizle harmanlayarak 1999'de olduğu gibi plastiğe şekil vermeye devam ediyoruz. edeceğiz.

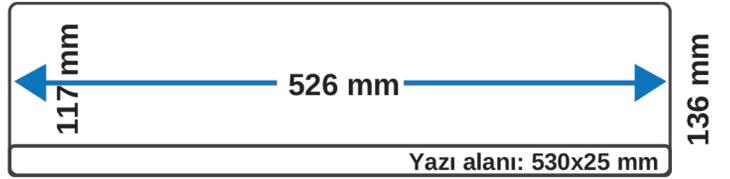

Since **1992** our started automotive products production adventure in a small area has now expanded to a **3000 m2** closed production facility with the commitment to providing the highest quality automotive products in an innovative and customer-oriented manners, is also aimed constantly improve and produce better products for our customers. We have become the leading manufacturer in Turkey and Global markets by gaining the appreciation of the industry with our product variety, quality, R&D production technology and patented products.
